O R D E R:

In the G.O. first cited all Deputy Collectors who were in receipt of a pay not exceeding Rs.500/- and all officers appointed to that post have been allowed to draw for their journeys on transfer the cost of transporting their cars by rail, as a temporary measure for the duration of the war. As the difficulties in the matter of transport persisted even after the termination of the war, the concession was later extended while retaioning of petrol contained. The rationing of petrol was discontinued in Madras City, Chingleput District, and Fort Cochin Municipal Area with effect from 1.7.50 and in the rest of the Madras State with effect from 1.9.50. The Government have examined the necessity for the continuance of the concession referred to and have decided that it should cease to apply with effect from 1.7.50 in respect of Deputy Collectors on a pay not exeeeding Rs.500/- p.m. on transfer from the three places mentioned above and with effect from 1.9.50 in respect of such Deputy Collectors throughout the State.
